

2024 Truterra® Field Data Management Program

UNLOCKING VALUE FOR FARMERS

The **2024 Truterra® Field Data Management (FDM) Program** aims to enable farmers to participate in a sustainability program regardless of if they have previously introduced regenerative practices to their fields.

Eligible farmers can potentially receive payment for participating in the 2024 Truterra® FDM program:

- 2024 Truterra® FDM program payment details: \$3/acre
- Potential payment scenario for enrollment on 500 acres: \$3/acre X 500 acres = \$1500
